Levá strana: 1 ks

Pravá strana: 1 ks

Rám dveří: 1 ks

Zadní deska: 1 ks

Horní deska: 1 ks

Spodní deska: 1 ks

Police: 4 ks

Kolečka: 4 ks (výška 70 mm)

Samořezné šrouby (5x10): 33 ks

Držáky polic: 19 ks

Šrouby: 16 ks

Klíč: 1 sada

Levá spodní vložka: 1 ks  
Pravá spodní vložka: 1 ks

Připevněte levou stranu k zadní desce pomocí samořezných šroubů (5x10).

Stejným způsobem připevněte pravou stranu k zadní desce.

Připevněte rám dveří k oběma bočním deskám.

Namontujte horní a spodní desku.

Namontujte police.

Namontujte kolečka a upravte jednotlivé části tak, aby po montáži vše správně sedělo.

|                                                                                                                                    |                                                                                                       |                                                                                                                                                         |                                                                                                    |                                                                                                                                                                                                     |                                                                                                                     |                                                                                                                                        |                                                                                                            |

Left bottom insert: 1 pc  
Right bottom insert: 1 pc

Attach the left side to the back panel using self-tapping screws (5×10).

Attach the right side to the back panel in the same way.

Fix the door frame onto both side panels.

Install the top and bottom panels.

Install the shelves.

Install the castors and adjust all parts to ensure a proper fit after assembly.

Лява долна вложка: 1 бр.  
Дясна долна вложка: 1 бр.

Закрепете лявата страна към задния панел със самонарезни винтове (5x10).

Закрепете дясната страна към задния панел по същия начин.

Закрепете рамката на вратата към двата странични панела.

Монтирайте горния и долния панел.

Монтирайте рафтовете.

Монтирайте колелцата и регулирайте всички части така, че след монтажа всичко да пасва правилно.

Kiinnitä vasen puoli takalevyyn itsekierteittävillä ruuveilla (5x10).

Kiinnitä oikea puoli takalevyyn samalla tavalla.

Kiinnitä oven kehys molempiin sivupaneeleihin.

Asenna ylä- ja alalevy.

Asenna hyllyt.

Asenna pyörät ja säädä kaikki osat niin, että ne sopivat oikein asennuksen jälkeen.
